

Marie-France Sosa joins Engel Canada Sales Team

GUELPH, ON – Feb. 27, 2009 – Marie-France Sosa has joined the Engel Canada Inc. sales team as Regional Account Manager-Quebec/Eastern Canada.

ENGEL, a world leader in the design and manufacture of injection molding machines and part-handling automation systems, has named Marie-France Sosa as Regional Account Manager-Quebec/Eastern Canada. In her new position, Sosa will support the sales and technical service activities to ENGEL customers throughout the regions of Quebec and Eastern Canada.

Sosa has 15 years of extensive experience and education in the plastics industry in Quebec. She holds a Bachelor of Industrial Design from the University of Quebec, as well as a Technical Degree in Plastics Technology from College Ahuntsic. She has held various positions in sales and marketing, and has also worked in project management, product design and quality assurance. In addition, Marie-France has been very active in the Quebec chapter of SPE, and has been on the Board of Directors since 1993. She has also worked with the CPSC, CPIA and on the technical program of the Expoplast trade show for the last three shows.

ENGEL North America

From facilities in the United States, Canada and Mexico, ENGEL North America provides its customers a single source for design and manufacture of injection molding machines for thermoplastics and elastomers, a full range of plastics processing technology modules and a full scope of automation solutions. With eight production plants in Europe, North America and Asia (China, Korea), subsidiaries in 17 countries and representatives in over 70 countries, ENGEL North America provides its customers the global support they need to compete and succeed with new technologies and leading-edge production systems.
