

# Zero Finance Charge Now!

For all ENGEL e-max machines

financial solutions

## Zero finance charge offer for the ENGEL e-max

The better alternative to purchase:

**Low monthly payments starting at \$1,700 per month**

- > no downpayment
- > no interest
- > 60 months financing, lowest monthly payment

Example ENGEL e-max 200 / 110 US:

- > Sales price: \$110,190 US
- > 60 monthly payments of \$1,836.50 US

**ENGEL**  
be the first.

# Small Footprint. **BIG** Impression.

Introducing a giant leap forward in **all-electric** injection molding machines – the **new** ENGEL e-max

- > compact design for smallest footprint
- > all-electric machine, 55-200 U.S. tons
- > fast and consistent, 1.4 second dry cycle
- > high-performance injection units, peak pressure up to 40,600 psi, injection speeds up to 17.7 in/sec
- > legendary ENGEL quality & performance at a competitive price

e-max

For more information please contact your ENGEL Sales Representative or visit [www.engelglobal.com/na](http://www.engelglobal.com/na) for terms and the necessary forms to apply for a finance program.

Offers are valid to companies based in the United States and Canada until March 31, 2009 and are subject to formal approval by ENGEL financial solutions.

Financing provided by Deutsche Leasing, an ENGEL financial solutions partner.
